SOUTHERN CAPITAL
CONFERENCE

CONFERENCE OVERVIEW

The Southern Capital Conference is an annual meeting where limited partners, general partners and investment bankers come to build and extend relationships. The conference venue, Chateau Elan, provides an ideal setting where participants can interact and discuss regional and national trends that impact the venture capital, growth equity, buyout and mezzanine communities.

Approximately 150 individuals expected to attend.

CONFERENCE ORGANIZERS

The conference is organized by the Southern Capital Forum. The SCF was founded in 1984 to foster closer professional relationships among the members of the Southeast private equity community through the exchange of information and ideas. The SCF has grown into the largest trade association for private investing in the Southeast, and its membership includes individuals, firms and service providers in both the buyout and venture capital industries.

REGISTRATION

To register for the conference, please visit www.southerncapitalforum.org

ACCOMMODATIONS

The conference will be held at Chateau Elan, Braselton Georgia. Attendees are encouraged to make reservations early, as we have a limited number of rooms at the special conference rate and they must be booked by July 23, 2023.
